

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Dan Deason v Calhoun Circuit Judge**

Docket No. **283207**

L.C. No. **83-000514 FY**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.201(B)(3) and 7.216(A)(10), orders:

The complaint for superintending control is DISMISSED for failure to pursue the case in conformity with the rules and the order of this Court. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court served plaintiff with an order requiring that the brief in support of the complaint for superintending control not exceed 50 pages and that it be filed within 21 days. Following denial of the motion for reconsideration on July 16, 2008, the appellant has failed to file a brief that does not exceed 50 pages.
